

OUR MISSION

We empower youth to reach their full potential as responsible, caring and productive citizens through professionally led programs and activities that are fun, positive and relevant in a safe, supportive and healthy environment.

Our first snack is provided by the Food Bank. We are only able to distribute one of these snacks per child per day. We serve a second snack at the end of the day. If your child feels that these snacks are not enough please pack them an extra snack.

Club House is staffed with well trained, youth development professionals that understand the issues and needs of children in today's complex society. Please stop by, meet the staff, and take a tour anytime during our open hours. Parents are always welcomed and encouraged to drop in and participate in activities with their children.

If you are interested in signing up for **Cal Fresh AKA Food Stamps**, please talk to **Laurena Matava**. Laurena is trained to help citizens fill out paperwork!
