

## Our Mission

"We empower youth to reach their full potential as responsible, caring and productive citizens through professionally led programs and activities that are fun, positive and relevant in a safe, supportive and healthy environment."

## Club Hours:

Summer Session  
Starts June 25th – August 17th  
**Monday — Friday**  
**12:00 pm — 6:00 pm**

## Attention Parents:

**Welcome to the Boys & Girls Club of the Redwoods. We are excited to have your child as a member of our Club! Please remember that this is an open door facility, as we serve youth between the grades 6th-12th — if you do not want your child to leave after they arrive, please inform the front desk staff.**

**Summer Brain Gain:** Aimed at directly combating “summertime lull” when youth are out of school and disengaged with learning, Summer Brain Gain presents several themed modules aimed at STEM and reading, and given in fun and enjoyable activities!

**Cooking Crew:** Members learn skills in the kitchen and how to create healthy dishes.

**Grab Bag:** Members contribute ideas and we draw from the ideas. That member get to help implement the activity.

**Play Ball!:** Play Ball is a program designed to get members outdoors and playing fun and engaging, and healthy activities.

**Junior Staff:** BGCA’s education and career program. Junior Staff meet up to discuss their roles, get their shifts, and go over interview techniques, application management, and self-esteem. If the BGCA is doing a service project, Junior Staff will be attending.

**Passport to Manhood-**This program promotes and teaches adolescent males to transition from boyhood to manhood, it also requires young males to understand and manage physical changes in their bodies.

**Gardening** - Members will learn to cultivate and grow their own garden life. Plants will range from edible vegetables and fruit to decorative, and change depending on the season. Members will learn to care for, de-weed, and grow their own gardens.

**SMART Girls-**Is a health, education and self-esteem enhancement program designed to meet the developmental needs of young girls.

**SMART Moves-** Is a critical-thinking and decision making program designed to address bullying, drugs, sexual harassment, and more.

**STEM-**the Teen Center is proud to be starting up it’s own STEM (Science, Technology, Engineering & Math) Program

**Triple Play-**Designed to incorporate healthy habits, emphasizes good nutrition, physical active and improving overall well-being.
