

Our Mission

“We empower youth to reach their full potential as responsible, caring and productive citizens through professionally led programs and activities that are fun, positive and relevant in a safe, supportive and healthy environment.”

Club Hours:

Fall Semester

Monday — Friday
3:00 pm — 7:00 pm

Attention Parents:

Welcome to the Boys & girls Club of the Redwoods. We are excited to have your child as a member of our Club! Please remember that this is an open door facility, as we serve youth between the grades 6th-12th — if you do not want your child to leave after they arrive, please inform the front desk staff.

Power Hour - Helps members achieve academic success by providing homework help, tutoring, and high-yield learning activities, encouraging members to become self-directed learners.

Keystone/Junior Staff - The ultimate teen program. A character and leadership development program designed for young people ages 14-18. There are four focus areas: community service, academic success, career preparation and teen outreach. Members will also fundraise for an end of the year trip!

SMART Moves— This program targets specific issues facing young boys and girls, providing a safe and fun space for members to express themselves and develop a strong self-esteem, good character, friendship skills, sex education, etc. We will bring in members of our Community as guest speakers as well.

Girl Space- The Boys & Girls Clubs of America’s SMART Girls program helps girls with critical knowledge and skills in the areas of physical health and wellness, mental health and self-esteem, and relationships. Encompassing the physical, emotional and social changes a girl will go through between the ages of 8 and 18.

Youth for Unity - As our nation becomes increasingly diverse, it becomes more and more important to help young people learn not only to live with respect and tolerance among those who are different from them but also to benefit from others’ experiences and traditions.
