

## Join Us In Celebrating Our Nation's Heroes

Help us make a difference in our community.

This month Boys & Girls Clubs across America celebrate our service men and women with Military Family Appreciation Month. Service members and their families have sacrificed so much to ensure we live a life of freedom and security, and we'd like to recognize them.

On Veterans Day, Friday, Nov. 11, we ask that you please join Boys & Girls Clubs all over the country at 5pm in your time zone for a Moment of Silence as we pay our respects to our nation's heroes.

For additional information about the Moment of Silence or to learn more about Boys & Girls Clubs service to military youth and their families, please visit [BGCA.org/Military](http://BGCA.org/Military).
