

BOYS & GIRLS CLUB OF THE REDWOODS

Thank you for helping me raise \$21,000 in 21+ Days!

Dear Boys & Girls Club of the Redwoods' Supporter,

My campaign to raise \$21,000 in 21 days in celebration of my 21 year anniversary with the Boys & Girls Club of the Redwoods presses on. Although we are *technically* a week over the 21 days, why limit a great cause by a timeframe? As of today, you have helped us raise **\$14, 259!** This is more money to help more of our kids, more often. To help accommodate an already **150** new members at our McKinleyville location, help with the 30% increase in members attending our Eureka Teen Center daily and provide more space for our Clubhouse members to do programs that help with academic success.

THANK YOU for helping us serve more youth more often!
