Volunteer Policies:

- 1) Dress appropriately. Policies on dress codes are applicable to volunteers and staff.
- 2) Do not smoke anywhere within the view of the building.
- 3) Obscene language, inappropriate conversation content and aggressive behavior will not be tolerated by members, volunteers, parents or staff.
- 4) If a member is not following behavior guidelines, make them aware of this in a respectful manner. It is important to be consistent when working with members and the consequences of their behavior. Please tell a staff member and we will follow through if a member has violated the policy. It is okay to redirect a child to an alternate activity or ask them to take a five minute "time out" so they can sit and think about their **behavior** and what they might have done differently for better resolve.
- 5) Please do not bring in special treats, etc. without first consulting with staff. Do not give or loan money to any member.
- 6) Members may want to see you outside the Boys & Girls Club, and that is not allowed. This includes giving them rides home, to school, meeting at the park, for pizza, etc.
- 7) Members respond best to positive statements first and constructive criticisms. (Such as how to make improvements when drawing, playing basketball, etc.)
- 8) If you are facilitating an activity, be as creative and assertive as possible. If you are too submissive the members will "walk' all over you. If you are having a hard time, please ask for assistance from another staff member.
- 9) Members may begin to feel comfortable opening up to you. Should this happen, please do not council or give controversial advice. If you share personal experiences, please make sure that they are appropriate for the maturity level of the member. Please suggest that the member talk to a trained staff member about personal issues.
- 10) Please respond to a trained staff member at once about any injuries or conversations, in which you suspect the member may be experiencing neglect, emotional, physical, or sexual abuse.

I ha	ve read the above policies on volunteer for the Boys &
Girls of the Redwoods and unde policies, I will check with a staf	erstand them fully. If I ever have any questions on firmember for clarification.
