Junior Mechanics : Ages 8–11

Master Mechanics : Ages 12–17

One Entry Per Participant

Each child may enter one LEGO vehicle in their age category.

Original Designs Only

Pre-made kits allowed. We want to see your own creative builds!

Size Limits

Your LEGO car must fit on a standard piece of printer paper (8.5" x 11").

Wheels Required

All vehicles must have at least two wheels and be able to roll freely.

Drop-Off & Setup :

Entries must be delivered and set up by Noon on event day.

Judging Criteria :

Winners will be selected based on:

Creativity & Design

Build Quality

Theme & Fun Factor

Awards & Prizes

Prizes will be awarded in each age group, with bonus points for style and imagination!

No Motorized Parts

To keep things fair, no battery-powered or motorized pieces allowed.

Supervision Required

Younger participants must be accompanied by an adult during setup and award time.
Have Fun & Be Kind This is a friendly competition. Everyone is a winner when you build something awesome!

Kids **LEGO** Car Show

We're excited to announce that Playful Girlz has generously donated three LEGO car kits to help kids join the fun!

Want to Enter but Don't Have LEGO?

No problem! Thanks to our sponsor, you can enter to win a FREE LEGO kit in advance, build it at home, and show off your custom creation in our LEGO Car Show!

Builder Kit Raffle Details:

Who Can Enter: Any child who wants to participate in the LEGO Car Show but doesn't have LEGO at home or needs a little help getting started.

How to Enter:

Simply nominate you child below by August 15th to be entered into the Builder Kit Raffle.

Winners Announced:

We will draw 3 names on August 22nd and notify the winners so they have plenty of time to build.

What to Build:

You'll receive a real LEGO car kit — but we still want to see your creativity! Add your own special touches, mix in other bricks if you have them, or give your car a wild makeover.

 **Can I Use a Kit for the Show?**

Yes! You can use the kit as a base, but remember:

Judges love originality. Add some flair, modify the build, and make it your own!
