APRIL NEWSLETTER

BOYS & GIRLS CLUB OF THE REDWOODS

Updates!

Hey everybody!

We've begun rolling out our newest Workforce Readiness activity that asks some of our members to interview a family member, teacher, or other safe trusted adult about their career paths.

We've been sending our members home with the interview questions and we'll be meeting back here on April 8th to discuss what everybody learned! We also have an April Fool's activity where we'll be discussing the nuances of joking with friends and where the line is of "going too far". We'll also be asking our members to create (but not enact) harmless and reversible pranks where everybody involved laughs at the end!

Important Events

- April 1st – April Fool's Activity
- April 8th – Workforce Interview Discussion
- April 13th–17th – Spring Break – Open 1pm–6pm
- April 23rd – Adjusted Hours for Chamber Mixer – 3pm–5pm
