BOYS & GIRLS CLUB OF THE REDWOODS

## Updates!

Dear Parents, Guardians, and Members,  
Spring is officially here, and we are excited to kick off our upcoming spring program schedule!

We have a few special events happening this month, including our Youth of the Year Dinner Celebration and the Rhododendron Parade. Invitations will be sent to youth who were selected as Youth of the Month in 2025.

For those of you wondering, “Where is Chad?”—he is currently on leave, and we are hopeful he will return in May. In the meantime, Gail will be serving as the lead staff. We will also be scheduling staff from other sites to assist when needed.

We truly appreciate your patience and support as we work together as a team to ensure our program remains safe, fun, and engaging for all members.

Warm regards,  
Monica Rose Executive Director BGCR
