**MCKINLEYVILLE
TEEN CENTER**

DEAR PARENTS/GUARDIANS

This has been such an incredible school year that I'm very sad to see go. However, I'm very excited for the activities we have planned this summer! I'd like to share that we have several field trips planned that will start in July! Each of our field trips are attendance based, meaning member will have to attend 20% of the days between field trips in order to attend. We also have water games, basketball days, and cooking competitions planned for this summer. We hope to see you there!
