

AUGUST

newsletter

IMPORTANT INFO:

Dear Clubhouse Families,

As August arrives, thoughts of "back to school" are just around the corner! I hope you've had a fantastic summer full of memorable moments and continued learning. We're getting excited for a new school year and want to help ensure a smooth transition for your youth.

Approaching Back to School:

- Summer Program: Our summer program continues to run through August 7th. We will have a week transition and then on the 17th its back to our regular hours.
- Back to School Haircuts: Sponsored by Glamorous Hair Salon, for two days they will be on our Eureka Teen Center site giving 5\$ hair cuts. Sign up and don't miss out.
- Routine Reboot: Once school starts up again we will be ready. Please keep an eye out for our Fall schedule once school starts.
- Familiar Faces: While there may be a new staff member on our team for the summer, our team has stayed consistent and will be familiar to returning members.
- School Supplies: Make sure your youth are bringing home all their supplies from school, we will do our best to make sure important updates stay in your youths backpack.

Wishing you all a wonderful close to your summer. If we didn't see you this summer we can't wait to see our bright, growing members back in the Clubhouse soon, ready for a fantastic new school year!

Warmly,

Lilian Segesman
